Hybrid Downtempo Trip-Hop Ambient Soundscapes 12 MP3 Songs in this album (57:13) ! Related styles: ELECTRONIC: Ambient, HIP-HOP/RAP: Instrumental Hip-Hop People who are interested in The Chemical Brothers Skinny Puppy Richard H. Kirk should consider this download. Details: These songs are much more "stripped down" than past releases. Back to basics, as much as I can stand. Most songs were completed after about a 3 year dry spell. I decided to focus more on production basics and downtempo rhythms. Usually I end up undoing the last 25 of these songs to keep them a bit "cleaner". Suddenly, I had 38 new songs in three months. So, here are a dozen I decided to put out there. I hope you enjoy.
