URBAN/R&B: R&B Rap mix, GOSPEL: Contemporary Gospel Details: His full name is Cornelious Blanton Butler who serves as a Youth Care Worker at Oak Cliff Bible Fellowship head pastor Tony Evans. He was born in Dallas but raised in East Texas in a small town call Henderson. He began his ministry in the streets of Dallas over on Martin Luther King Blvd. The Lord compell him to get a bull horn and minister to the lost. Those who are strung out on drugs and strung out on life . Cocornelious did this for a complete year to show his loyalty to whom he serves and it was just the training station that one needed for the lord to give a higher calling and more territory to his ministry. The lord explain to him that there is power in simplicity so he gave him the name Save Sinners which is found in 1TIM 1;15-17 . He has been active in church ministry for 5 years while performing for IBOC, Mt Hebron ,Oak Cliff Bible Fellowship and many other local churches and community events. Currently he works as an Alternative School Teacher trying to show inner city youth that Jesus is the alternative. He has a sportsman background in which he was awarded a football scholarship to the University Of Tulsa. So you may ask why the name Cocornelious pronounced (Coco-Cornelious). Coco stems from (Romans 8:17) the lords says if we suffer with christ or share in his suffering we will share in his reign so then if we Co-exist in his suffering we will Co-exist in his reign. Now Cornelious was the first gentile to be saved or first gentile christian. A gentile means non jewish. In closing, Cornelious means he who witnesses to the gentiles so that is why THE MINISTRY OF SAVESINNERS PRESENTS COCORNELIOUS.
