SENTIENT (feeling or capable of feeling) ROCK ...melodic acoustic guitar adding an edgy yet subtle passionate/cumulative electric guitar. Is this new music? Yes. Ground breaking? Probably not. "It's simply what made my day." 13 MP3 Songs ROCK: Modern Rock, FOLK: Power-folk Details: ...a sincere cumulative emotion can always be heard and or felt in every great song. I love this as a music listener; this is how I try to approach my own writing. No, everything I write will not be the greatest song you've ever heard ...but it was what made my day!! My name is Doug Luna, my solo project is "Corporate Angel" and my cd is "Luna". "LUNA" doesn't seem to have a place in any one genre... Mediative? Modern? Folky? Rock? Acoustic? ...Melodic with subtle touches of a harder edged rock, seems to say it best. Still here? I think it's safe to say, "There's something for you to at least sample... "LUNA" - by Corporate Angel.
