

Mp3 Eliot Lewis - Standing On Top Of The World

[DOWNLOAD HERE](#)

Chilled pop fused with acoustic and electronica and rich warm vocal melodies 10 MP3 Songs POP: with Electronic Production, URBAN/R&B: Soul Details: Eliot Lewis is truly a Independant artist , having spent many years with "The Average White Band" and now a member of the legendary Hall&Oates , Eliot has toured the world over and shared stages with some of the biggest musical artist in the world. He plays five instruments and his masterful songwriting is clearly evident on his 3rd and newest release "Standing On Top Of The World" which takes a slightly more "Chill" direction fusing acoustic and electronics with infectious vocal melodies and also some brilliant instrumentals. Eliot has sold thousands of cd's independantly without help from record labels, his 1st winning him a John Lennon songwriting award.
