

Mp3 Enuminous & Archimedes - Eyelid/fetish

[DOWNLOAD HERE](#)

Experimental soundpoems and electronica with guitar and spoken word poetry. 9 MP3 Songs

ELECTRONIC: Experimental, ELECTRONIC: Electronica Show all album songs: Eyelid/Fetish Songs

Details: enuminous Archimedes are a virtual band from Sacramento, CA, and as such, are very reclusive, in fact, they live in the studio facilities known as invisible caterpillar. Eyelid/Fetish is their first (or is it second?) CD, followed by It's Not Music For Sane Persons. All tracks on this album were created by Matthew Chenoweth Wright (ASCAP) and contain ambient/experimental/electronic/soundpoems of an advanced technological nature. Beware of the Pelicans. Matthew Wright - 2007
