Christian Music for Kids --- Bible story songs and uplifting, fun sing-a-long tunes. 12 MP3 Songs

KIDS/FAMILY: General Children's Music, GOSPEL: Contemporary Gospel Details: Hi Friends, My name is Eric Carpenter. As a musician, I enjoy writing and composing music. I have written, recorded, and performed contemporary Christian music for adults and kids. I am also working on an instrumental CD.

The songs on "His Light Lives In Me" were written for my son. He was singing the same songs in children's choir at church that I had sung as a kid. For that reason, I was inspired to write these songs. My friend, James Ducker, helped me to record and sing the songs on the CD. Some of the songs have been performed by children at Christian schools and churches. Performance tracks for all the songs on "His Light Lives In Me" are available at "CD Baby". It is our prayer that these songs will be a blessing to you and your family. Thanks, Eric
