Smooth, Mellow, Relaxing Jazz vocals and love songs. 10 MP3 Songs JAZZ: Jazz Vocals, EASY LISTENING: Love Songs Details: Everett Greene has been singing for many years. He has performed with many of the great musicians of our times, such as, Norman Simmons, Groove Holmes, Frank Wess, Wes Montgomery, Houston Person, Ross Tompkins, Red Holloway, and many others, at Clubs, Festivals, Concerts, Theaters and other venues, throughout the States, Canada, Europe and Japan. He has been classed with the likes of, Joe Williams, Johnny Hartman, Arthur Prysock, Billy Eckstien, and all the great baritone singers of our time. He was one of five finalist in the Thelonious Monk International Vocal competition, and also an Emmy Award winner for a Musical on PBS Television. Being accepted by his peers is one of His greatest achievements. This CD is very special because he gets the opportunity to sing two of his Brothers songs, Someplace To Be, and I've Got Love, as well as many of the songs he loves. With Houston Person being a special guest on this project was, according to Green, the Yeast and the Icing. They really make it Swing.
