They say if you want to move a mountain you better bring a shovel, Jeff Dold's been diggin' everyday.. This country music is as Good as it gets.. 9 MP3 Songs GOSPEL: Country Gospel, COUNTRY: Modern Country Details: Songwriting careers usually involve a lot of sacrifice and frustration but sometimes, if a songwriter is talented enough, level-headed enough and lucky enough, he can wind up with a career suited precisely to his needs and his desires. Jeff, was raised in the Napa Valley. He left the Napa, Ca., in 1993, to pursue a music career in Nashville. Jeff says, "I can't remember a day going by in my life that I didn't day dream of becoming a professional singer." A two hour drive East of Nashville, is where Jeff now lives. He says, "I came to Nashville in 93' to find that elusive record contract and really had now idea how elusive it could be. I had not yet turned my life over to God and found myself falling in a downward spiral." Jeff reached out in 1996 and asked for Gods help. He says, "I remember asking for Gods help on Christmas Eve, and for lots of reasons I realized that running on the power of Jeff was a huge mistake. Since God entered into my life, I wake up everyday amazed by his power and what he has done in my life." He also says, "writing music and singing for God has filled an empty void in his life." Jeff says, "If i never get that elusive record contract it's o'k today, i've found that God, family, friends and sharing my experience with others is whats truly important in life.
