Alternative CCM. 10 MP3 Songs SPIRITUAL: Alternative CCM, ELECTRONIC: Freestyle Details: You may have heard these songs on other albums, but you've never heard them like this. Asleep in a Storm is the first remix album from Nap Records, a division of Sovereign Grace Music. Produced by Jeremy White, a member of Grace Church (San Diego, CA), the CD features a fresh take on nine previously released songs, plus one new instrumental track from Jeremy. You'll hear original vocals from Shannon Harris, Vikki Cook, and others, presented in a whole new way. This remix CD features songs from the vaults and more recent offerings, from Mark Altrogges I Stand in Awe (written in 1986) to Bob Kauflins In the Valley (originally recorded in 2006). The style may be different from our other albums, but the purpose is the same: to exalt the One who always deserves our praise.
