Acoustic and electric guitar for guitar lovers who like Mark Knopfler and are looking for the crown jewels of guitar supremos. 9 MP3 Songs NEW AGE: New Age, CLASSICAL: Contemporary Details: If you play guitar or aspire to play guitar then you need to know about John Themis. He records with and plays live with some of the greatest touring artists of the day and has written, recorded and produced many of the name artists who fill the UK's Top 40 such as Kylie, Emma Bunton, Blue, Lemar, Sugarbabes and Charlotte Church. But that won't be what will blow you away. This album was his first for Coda Records and recorded at a time when he was unknown. It shows you what was to come and teases you with the John Themis guitar sound - acoustic and electric guitar in a mellow easy to listen to style - rather than easy listening. It was labelled New Age at the time but has since become a standard for those who seek to write melodic music that stands the test of time. Now immortalised by the Landscape Channel it remains a regular playlist item on European networks.
