

# Mp3 Kayler - God Bless America - Kayler Guitarist Extraordinaire

[DOWNLOAD HERE](#)

Intricate incomparable fingerstyle instrumental guitar solos. Kayler's beautiful, emotion-filled renditions of six stirring Patriotic songs where he weaves his special touch in a tapestry of Americana. A wonderful souvenir album. Contains no overdubs. 6 MP3 Songs FOLK: Traditional Folk, EASY LISTENING: Mood Music Details: Kayler has entertained professionally since 1980. His overwhelming passion for his instrument and his music has produced an incomparable guitar style, a style which is his trademark. It allows him to use all his fingers simultaneously, like a keyboardist, creating truly astonishing results. He can play the bass part, rhythm (accompaniment) and melody together for each of his unique and amazing arrangements or compositions, while at the same time embellish them with harp-like arpeggios, generating a rich, full-bodied sound. Kayler elevates sentimental expression in his playing, establishing a direct and familiar rapport with his listeners. Kayler rightfully earned the title of "Guitarist Extraordinaire". He is in a class of his own. The scope of his talent is so impressive that it appeals to people of all ages. Within the past few years, Kayler has released several wonderful CDs which are available for purchase. Among them is the remarkable "God Bless America". His beautiful, emotion-filled playing enrich these stirring patriotic songs. He weaves his special touch in a tapestry of Americana. A wonderful souvenir album. This recording contains no overdubs.
