Details: Solo Piano, Kevin Boesiger Intimate Moments is a solo piano CD containing twelve original compositions. I originally started writing these pieces to use during the prayer time in worship services at my church. People began responding to them, so I decided to write a set of twelve and create a CD. Jesus said, Come to me all who are weary and burdened, I will give you rest. I hope these songs help you do so. I pray you find rest in those intimate moments with Jesus. Kevin
