"Theory of Evolution" moves past the Christian 'norm' and the Christian 'POP' and permeates the surface of the mind and spirit through thought provoking, profound and spiritual messages as well as rhythmic and melodious music. 18 MP3 Songs GOSPEL: Contemporary Gospel, GOSPEL: Traditional Gospel
Details: MAHAROLD PEOPLES, JR. TRIBE OF PRAISE In 1996 Minister Peoples brought together an anointed group of singers he dubbed "Tribe of Praise". This aggregation of singers has ministered alongside such artists as Rev. John P. Kee and New Life, Jeff Majors, Elder Timothy Wright and a long list of others. Their freshmen project, "The Millennium Project" shows their versatility as Gospel artists. With titles such as "He Loves Me" and "Intimate with You", this project will have you worshipping, praising, crying and jumping!!! "Tribe of Praise" is not just a group; but they are a family of Christians that love the Lord and each other. That love is conveyed through their music. They come from different denominations and diverse backgrounds to proclaim their love, in song, for Jesus, Christ. Their newly released' sophomore project, "THEORY OF EVOLUTION", is steeped in the Word of God and in the experiences of Min. Peoples. With thought provoking songs such as "Rumors of Demise" to inspirational selections such as "He Broke Me to Bless Me", this CD is filled with the anointing of the Holy Spirit.
