Look no further to satisfy your search for tough pop hooks. --Shake It Up Magazine MARK WATSON BANDs sound can be traced back to the suburbs of Chicago when Mark Watson would sit in his basement and play his favorite albums on his parents stereo. The guitar rock of Kiss and Cheap Trick competed for airplay with the pure melodies and harmonies of Brian Wilson and the Beach Boys. Mark Watson Band showcases these influences to create the modern power pop sound that earned the band critical raves for couldashouldawoulda, their full-length album released in 2000 on Big Blast Records. The single, The King Of Big Mistakes received airplay on over 80 college, public, and international radio stations from as far away as Australia, Portugal, and Turkey. The song drew praise from many DJs and critics. The Buffalo Beat said, "The King Of Big Mistakes should be on power pop compilations for years to come.
