

Mp3 Matt Cash - Western Country

[DOWNLOAD HERE](#)

Modern country that incorporates southern rock and pop elements. 14 MP3 Songs COUNTRY: Modern Country, COUNTRY: Country Rock Details: Born and raised in Southern California, Matt Cash has been influenced by many genres of music. He has been singing and writing songs from the age of 13. He lead three different rock bands, sang gospel, has a solo pop album, sang and wrote on metal projects with artists such as Sebastian Bach and James Labrie, has worked with Broadway singer Jodie Ashworth and Producer Henning Pauly, and continually sings on commercial jingles that air nationwide. While country is his true passion, the breadth of his musical talent and experience is brilliantly culminated in Western Country.
