Mick's Grandmother's fervent belief in superstition and great love for the works of Poe led to his early interest in Witchcraft. Mick is currently a Solitary Practitioner. At age 13 a young Wolf picked up his first guitar and began to blend his love for the music of the day with the indelible imprint of his musical heritage. Fronting such bands as The Dustbowl Drifters, Sleepy Hollow String Band, Longrider, The Mighty Sparrows and most recently Pyewackett, Mick has played throughout the Northwest. From the smoky barroom to the well lit college campus, from the festival to the coffee house and back.
