Americana, Bluegrass, Dawg, Country, Acoustic Jazz, Metalgrass, Celtic - very eclectic...something for everyone. 10 MP3 Songs COUNTRY: Bluegrass, WORLD: Celtic Details: Ramblin' in from all parts of the territory, Moon Mountain has drawn four musicians together to create an original high desert sound and a soulful interpretation of traditional bluegrass, jazz/swing and country tunes. The Ramblers consist of Dan McClung slappin' the double bass and blowin' the harmonica, Jenny Harada sawin' the fiddle, Joe Schulte choppin' the mandolin and Matt Hyman pickin' the guitar. Recently voted the "Best Band in Central Oregon for 2004" by the Source publication, the Moon Mountain Ramblers have performed in festivals all over the High Desert region including the Sisters Folk Festiva, the Siskiyou Bluegrass Festival and have opened for well known bands such as the David Grisman Quintet, Misty River, Jackstraw and John Reichman the Jaybirds. Borderline, their second CD is all original material with examples of a variety of genres. Half vocals and half instrumentals - there's something for everyone!
