

Mp3 Patrick Ki - Journey Into Paradise

[DOWNLOAD HERE](#)

Following in the footsteps of Patrick Ki's two previous instrumental acoustic guitar albums, *Journey Into Paradise* showcases an uplifting and elegant collection of popular songs, classical themes and favorite standards that completes this gifted jazz/sl 10 MP3 Songs EASY LISTENING: Adult contemporary, EASY LISTENING: Background Music Details: *Journey Into Paradise* is the aptly chosen title for the fifth CD of jazz/slack-key guitarist, Patrick Ki. With its instrumental collection of modern popular songs and classic standards, *Journey Into Paradise* features the smoothly orchestrated and restful sound that has become associated with all of Patrick's albums. As the third installment in his highly acclaimed trio of best selling recordings, *Journey* very much follows in the musical footsteps of its two predecessors, *Heart Music* and *Art and Path of Romance*. With themes from classical masterpieces, celebrated standards, and the inclusion of more current hits, this disc once again exemplifies the attractive versatility that characterizes Patrick's work. In particular, Patrick's exquisite version of Pachelbel's Canon seems to represent the style and philosophy that infuses this CD. Like most of his music, the Canon is soothing and relaxing, but Patrick also brings a fresh perspective to this piece by performing it on the classical guitar, in contrast to the more commonly heard piano or orchestral arrangements. Utilizing cutting edge digital recording technology, four different guitar parts have been multi-layered to faithfully reproduce the original score of Pachelbel's Canon and supplemental instrumental harmonies have been added that result in an accurate yet very unique rendering of this timeless classical theme. The calming yet beautifully uplifting quality of this composition has made it one of the most requested songs in Patrick's repertoire. With stylish versions of popular favorites like *What A Wonderful World*, *I Say A Little Prayer* and *My Heart Will Go On* included as part of this appealing mixture, *Journey Into Paradise* is an album that absolutely lives up to its name!
