

Mp3 Phillip Paris - Free To Live

[DOWNLOAD HERE](#)

Contemporary Christian music with a "live" feel to it. Strong vocals with original song-writing. This album is guitar driven with incredible arrangements. A unique sound sure to stand out. 10 MP3 Songs GOSPEL: Contemporary Gospel, GOSPEL: Contemporary Christian Details: Phillip Paris is a singer / songwriter / worship leader from the Austin, Texas area. This is Phillips debut album featuring 6 original songs from Phillip. This unique sound is all original and is not overly produced in the studio. David W. Huff, legendary producer and front man of David and the Giants was the producer and mastering engineer on this album and it has a definite uniqueness to it. Having been raised in PromiseLand Church in Austin, TX, Phillip was fortunate enough to grow up listening to Randy Phillips (Phillips, Craig and Dean) and David Huff, John Ragsdale, and many more talented artists. This CD is guitar driven with powerful arrangements and song writing melodies. This album is a favorite of people who are longing for something different than radio play songs and who truly want anointed music. This will be a favorite CD of your too!
