Rahmlee appears on most of these recordings in conjunction with the ORIGINAL Earth, Wind Fire horn section; independently known as "The Phenix Horns Esquire". Rahmlee's versatile and unique musical style that has made him so in demand and brought him to the attention of Earth, Wind Fire. Along with Don Myrick, Lui Lui Satterfield and Michael Harris, he spent 8 years establishing the Phenix Horns section as an integral part of the musical act awarded multi-gold platinum albums and numerous Grammys. Earth, Wind Fire made musical history as the world's greatest pop/rock band. Their worldwide tours are still talked about as some of the best and most successful ever staged. After noting their explosive presence with Earth, Wind Fire, Phil Collins initiated a musical coup incorporating the Phenix Horns as an important element of his decade long string of gold and platinum recordings as well as very successful world tours. Rahmlee's current solo CDs: "Rise of the Phenix" on Head First Records; "Souljazzz" on Honest Records. Rahmlee is currently in the studio completing his new release "Intimacy" on Rahm Records for January 2004. Contact Rahmike Music 818-709-1370. Available for performances,
