! Related styles: URBAN/R&B: R&B Pop Crossover, EASY LISTENING: Adult contemporary Details:

RON PHILLIPS With an ear for music and passion for singing the silky and soulful sounds of Ron Phillips has an old school flare with an innovative style. Songwriter and singer, Ron Phillips has definitely honed his craft in anchoring himself as a well rounded artist committed to giving what legendary artist before him has-good music. Inspired by the true leaders of the old school: Marvin Gaye, Smokey Robinson, Donny Hathaway, Patti Labelle, and Earth, Wind & Fire- Ron Phillips has carved his niche as an R&B artist who can step outside the box to deliver an Adult Contemporary sound that has incorporated both Pop and jazz elements. Having nurtured an unconditional affinity for music Ron Phillips has always indulged himself in entertaining-sharing passion rich in sound, and substantial quality. Trilled to unleash the excitement behind his new digital project (Serious). Ron Phillips has collaborated with the phenomenal producer and songwriter William DuBose also known in the music world as "Billy Badd" in making one of the best independent digitally distributed R&B albums of 2008. There is much anticipation surrounding the success of "Serious". Exclusively available on the net through CD Baby. "Serious" has a host of melody songs that are sure to catch the ears of the digital world of music.
