

Mp3 Songs Of Water - World: World Fusion

[DOWNLOAD HERE](#)

Acoustic grassroots compositions with percussive foundations and world influences. 12 MP3 Songs
WORLD: World Fusion, ROCK: Acoustic Details: The music of Songs of Water is best described as a spiritual conversation of eclectic sounds and instrumentation. Drawing from diverse cultural and stylistic influences, their compositions are interlaced with passion, creativity and experimental improvisation. The music takes many shifts and turns through earth laden tonalities and contemplative moods. From acoustic grassroots jam sessions to Classical, Jazz and inventive fusions, Songs of Water is an experience to be taken in. songsofwater.com
