Taking the last four hundred years of the Celtic Inheritance of the Americas into a new century . . . 10
MP3 Songs FOLK: Contemporary Celtic, ROCK: Folk Rock Show all album songs: Treachery, Lust and
Misfortune - American Celtic Songs Details: "The Three Jacks" is the "acoustic flying column" of Miami's
own Celtic rockers, The Volunteers - one of Americas most entertaining Celtic rock bands with over a
decade of packed-out shows at clubs, pubs and auditoriums in the US and abroad. In "Treachery, Lust
Misfortune - American Celtic" The Three Jacks take the Celtic musical inheritance of the Americas into a
new century. To a base mix of much-loved Celtic traditional tunes, they fold in their mistreatments of the
Celtic classics most notably numbers by the blind, 17th Century, Irish, folk/baroque harper and boozier,
Turlough OCarolan - [his "Lord Inchiquin now has a set of bawdy lyrics and has been re-christened
Ramrods Bearskins] - whip in brand new (soon to be) Celtic classics from their "catalog of 18th century
folk-songs we wrote last week" - like "The ballad of the Bare-Ass Girl" - and then leaven the whole heady
brew with rip-out, stomping, fiddle break-downs . . . Welcome to "The Three Jacks"!
