A variety of rootsy original tunes that sound like they came from vintage recordings. A worthy addition to a collection of well-crafted americana. 12 MP3 Songs FOLK: Power-folk, BLUES: Acoustic Blues Details: It took a little investigating, but these two gentlemen are now known. Their names are Paul Carden and Tom Hood. Together, they produce the sound of a full band that kindles country, blues, folk and ol' time western Americana. Kenyon Hopkin - Island Ear Magazine Songwriters Paul Carden and Tom Hood take a collection of well written original songs and give it a very basic and raw treatment that lends itself more to a feel of being in someones living room than a slick production CD. Richard L'Hommedieu - Long Island Entertainment Magazine Paul Carden and Tom Hood have done it again. They have released "The Ballad of The Unknown Gentlemen" featuring a variety of rootsy original tunes that sound like they came from vintage recordings. This cd is a worthy addition to a collection of well-crafted Americana. Hank Stone - Aural Fix Magazine
