If you ever thought such a CD could exist...we present "Da Gumbo Vol. 1". The first installment of original tracks herald by some as "cutting edge". Our vision was to produce records that offer the music consumer a true choice. Sometimes not always popular but music we believe in. What is it? Music that is created in its purist form not influenced by charts or popularity. We believe our volumes will be the future model of record producing...Experience...BZP Presents...Da Gumbo Vol. 1. As the name implies, "Gumbo" is a mix of different flavors and ingredients...just like our first project. Seven musical forms fused together with carefully crafted production. And 18+ artists to compliment the instrumentals. Production equipment used on this CD included a Korg Triton, MPC 2000, 4000, E-mu Proteus 1000 2000 sound modules. And was recorded using Ensoniq: PARIS (Professional Audio Recording Integrated System). This was also the same recording device that was used on Alicia Keys' Songs in A Minor, Grammy winning album. The album was produced by Fonseca "Zeke" Woodruff and engineered by Will Wilson who mixed Tech N9ne's music.
