Details: Viciou\$ is an Atlanta based hip hop artist with a track record that dates back to the mid 90s. He was in a group with his two cousins and friend called A.T.F.C. Viciou\$ started freestyling at the tender age of 8. When he was 11 years old Viciou\$ started writing his own songs. By the time he was 14 years old he was doing shows and recording songs. Viciou\$ brings romance, energy, excitement, storytelling, and true to life lyrics. He truly defines versatility from a hip hop perspective. In 1998, Viciou\$ decided to step away from hip hop due to a very hostile separation with the group. About 2 years later Viciou\$ met Tyrone Davis (Founder/CEO of N.O.H. records). Tyrone had a huge impact on Viciou\$s decision to start rapping again. Not long afterwards Tyrone was murdered. God puts people in your life for a reason and Viciou\$ feels that Tyrone being put in his life was God's way of letting him know what hes supposed to be doing with his life. Viciou\$s mission is to challenge the industry by continuing to put out quality music. He says, Quality is what being an artist is all about. People who are interested in Ludacris T.I. Young Jeezy should consider this download.
