Girls will be boys and boys will be girls...Can hot gay erotica flow from the pens of lesbian writers? Can gay men write convincingly of lesbian sex? Switch Hitters twists our gender expectations in these playfully explicit, provocative, and entertaining sex stories by the best authors of queer erotica writing today."These tales, in which we do a kind of literary drag, comprise a surprising, intriguing, boundary-pushing body of work.This is the stuff of genderfuck and solidarity, curiosity and cultural appropriation, and it makes a peculiar kind of sense that queer boys and girls would be trying on each others sexual realities for size."
