

The Uberreader: Selected Works Of Avital Ronell

[DOWNLOAD HERE](#)

With courage and humor, Avital Ronell takes thinking and writing into wild and dangerous places. The *UberReader* introduces her groundbreaking work on drug rhetoric, technology's fatal attractions, and the odd prestige of stupidity. The *UberReader* includes previously uncollected essays, selections from her books, and some of her most powerful public talks. An extensive introduction by Diane Davis surveys and situates Ronell's hard-hitting work, and recalls some of the most important critical responses it has provoked. Publisher: University of Illinois Press
