Worship is so much more than what is sung or played in church on Sunday morning. John MacArthur takes you step by step in a discovery of who and how to worship. From the existence of God and His attributes, to instruction on the right and wrong ways to worship God, MacArthur never strays from teaching and explaining what the Bible says. This book makes it Biblically clear that worship is all about how we prioritize and live our daily lives to honor and glorify God. Make worship your ultimate priority! Author: MacArthur, John F.
