

Email Marketing Plr Website Deluxe With Private Label Rights

[DOWNLOAD HERE](#)

They all tell you the money is in the list, right? Well, here is your opportunity to cash in on the very large email marketing niche. Most every one knows they should be building a list, but many of them are not sure how to do it or even how to get started. You'll be seen as the expert or as an authority in the field of email marketing. You'll be providing quality usable and desired information, plus make a few bucks for yourself in the process! Today we have a ready-to-go website that is dedicated to most email marketing and listbuilding. With this PLR website your going to be getting a complete Email Marketing website that's ready to go out of the box. It comes pre-loaded with 20 quality text posts, built and posted into the site for you, the work has already been done. We've gone and created a Deluxe package just for you. You'll also be getting a pre-made 20 message autoresponder series that takes only a few minutes to put in place. Edit the affiliate links, edit the greeting or message end, copy and paste into your AR series and it's ready to start making you some bucks. The 20 message series promotes 3 different clickbank products. The

autoresponder messages are pre-formatted, so you do not need to spend time editing, it's already been done for you. Simply change a few things, copy and paste, and you're done. There is more... We've also included a bonus ebook, Listbuilding Unmasked to help you learn how to make it big with email marketing. It's yours to read, personal use only. We've even included a Facebook "Like" plug-in that gives EVERY post on the site, like and send facebook buttons to give your site the opportunity to build up some viral and social traffic. But there is more... This site also comes with text ads that are linked to instant commission email marketing and listing products. When your visitors click on those links and purchase, you receive the commission almost instantly into your Pay Pal account. No waiting for checks, you get paid right away, same day. We've even added a Featured Content area to the site to give it that professional quality sure to bring in and keep the readers. This covers the following categories: * Email Marketing * Email Marketing Campaign * Email Marketing Tips * Listbuilding Tips These posts contain a large amount of text which means tasty text for the search engines to eat up, giving you a better chance of ranking well in the SERPS! Check out our Fully Functional Demo to see what you will be getting: Email Marketing Here's the most important part, how you will be making money from this ready-to-go website: Revenue Model: Clickbank related Ads for high converting Email Marketing related digital products. You will also be getting a Email Marketing Video page to attract and keep your visitors on your website, so they buy from your Affiliate Links. These videos are embedded on your site to bring in visitors, keep them coming back and telling all their friends. Your own viral marketing built in. These videos are also very informative as they are Do-It-Yourself, so your website becomes a resource of usable, valuable email marketing information. Best of all this site uses the wordpress platform (Ver. 3.1.3), all the wordpress files are even included, so you know it's easy to use and profit from. Blog Core Features: Google Analytics to track your visitors and web traffic Content Preloaded Ready-to-go Plugin's Pre-Loaded Ready-to-go RSS Feeds to spread your content around the world Video page from YouTube Facebook "Like" and "Send" buttons built-in to every post on the site. Social marketing buttons on each post to "spread the word" about your site. Gain the Advantage in the Search Engines with these Built in Features: SEO Plug-in to help get your site to the top of the Search Engines. Site Map so the search engines can find every single page on your site Search Engine Friendly URL's Everything is included... You will be getting everything you need to have your very own Email Marketing Website and it only takes very little time to get it up and running. For most people it's 20 minute or less to install and set up. Everything is included. Get your store

now and get in on this VERY BIG market Today! The package includes the documentation showing how to install and set it up.
