

Greenies In Stilettos - Carolyn Donovan

[DOWNLOAD HERE](#)

Can a handbag, a pair of jeans, or a fabulous pair of stilettos enhance your life? You bet it can! Even more so when you know that it didn't poison farmers with pesticides, force a child to work under slavery in appalling conditions, or contribute to global warming. Rediscover, beautify and refashion your wardrobe... and your life...in ways you never thought possible. As the fabulous French fashion designer, Yves Saint Laurent, said, "The most beautiful thing a woman can wear is passion... but cosmetics are easier to buy." There is an adventure to be had within the pages of this book. Whether you reach the end of it bursting with fresh ideas, or a new life planned for the things you already have around you, there is a contagious excitement knowing you can make a difference in the world. You absolutely can! And it is so easy once you know how. Discover 5 ways to save the world without really trying:* In your wardrobe (it has never looked this good before)* On your face (bring out the most beautiful you possible)* In your home (your living space can reflect the most gorgeous side of you, without even spending a cent)* Stepping outside (the world needs to see you now!)* Opening your eyes (there's a lot of stuff going on that you didn't even know about) Recycle, reuse, remake, reclaim, repurpose, reimagine your life. You can save the planet... without really trying!Author: Donovan, Carolyn Publisher: Green House Publishing Illustration: N Language: ENG Title: Greenies in Stilettos Pages: 00128 (Encrypted EPUB) On Sale: 2012-06-01 SKU-13/ISBN: 9780987296603 Category: House & Home : Security
