classic urban/r&b 8 MP3 Songs URBAN/R&B: Rhythm Blues, URBAN/R&B: R&B Pop Crossover Details: Brothaz By Choice is a quartet of talented young men with a unique singing style ranging from acapella to a classy version of hip-hop. The group is made up of two biological brothers, Reggie "LaCrue" Moore and Jerry "Redd" Moore, and two close friends, Reggie "Deuce" Williams and Melvin "Plukk" Pryor. Their close working relationship as writers, arrangers and performers gives credence to the name Brothaz By Choice. Brothaz By Choice has performed to rave reviews in their native Virginia. They have been called upon to perform at ground breaking ceremonies, charitable fundraisers and to perform the national anthem at the state's professional baseball games. The group is well known in the region's night clubs, having performed up and down the east coast, and featured on local and national television. Brothaz By Choice has worked with many notable music business legends. They performed as the opening act for the Delfonics, and have worked with producers Chris Jasper , formerly of the Isley Brothers, Jim Solamen, producer of Boyz II Men and Levert, and Kenny Gamble of Philly International. Brothaz By Choice can be seen in D'Angelo's video entitled "Lady" directed by Hype Williams. Brothaz By Choice recently signed their first record deal with New York based Gold City Records. Their first CD release entitled "Brotha 2 Brotha" demonstrates their vocal talent, and includes "Daddy" -- a heartfelt tribute by brothers Reggie and Jerry, which they wrote for their father upon his passing during the recording of this project; "And I Love Her" -- an updated version of the popular Beatles tune; and "Caravan of Love" -- a remake of the Isley-Jasper-Isley classic.
