Gypsy Rock Fusion - romani inspired music - melodic acoustic based sounds with a world beat. 9 MP3 Songs in this album (45:43) ! Related styles: WORLD: Gypsy, ROCK: Progressive Rock Details: Burning Truth "weaves a tapestry of 'gypsy fusion', bringing fiery visuals together with melodic, acoustic-based sounds and a world beat." (Laura Eberly of The Newport News Times) Performances are a "sensory feast" with evocative vocals, fervent instrumentation, and dynamic displays of fire, fabrics and dance. For each event new combinations of dance and music are cleverly crafted. This 'wild band of gypsies' offers live, original music and fire dance theater for special events, ceremonies, celebrations, festivals and other gatherings on the Oregon Coast (as well as throughout the North West). The Burning Truth performance troupe focuses on the intrinsic connection between music, song, and dance while incorporating elements of theater and mythic storytelling to reflect the changing seasons and The Wheel of the Year. The members of Burning Truth Tribe perform a unique musical style of "Gypsy fusion." It is a sensory feast of original music and Romani-inspired song accompanied by international instrumentation seamlessly blended with the inventive choreography of the dancers. The audience is swept up in a beautiful ballet of visual delight in perfect harmony with the The Tribe's enticing world beat.
