Eclectic indie electro pop rock 19 MP3 Songs POP: Psychedelic Pop, POP: with Electronic Production
Details: One of the most innovative and exciting projects to come along in recent years, Salt Lake City based Cavedoll is perfectly poised to burst on to the international music scene. Cavedoll's modern take on rock music combines elements of the dancefloor, with thick guitars, vocal harmonies, huge hooks, and an impeccable sense of style. Cavedoll's debut album "The Harbor", co-produced by Mark Kendall of Great White, is heavily laden with fan-tested hit songs which grab the listener instantly and suck them in with their memorable choruses and catchy melodies. Songs That Would Not behave Volumes 1 2 incorporate outtakes from "the Harbor" sessions as well re-issued back catalogue material, including a handful of tracks featuring Camden's wife and co-producer on lead vocals.
