DJ Cobra is one of the premier trance composers from Slovakia. With a track record of hit remixes found on many record labels worldwide. 6 MP3 Songs ELECTRONIC: Trance, ELECTRONIC: Techno Details: Born 1978 in Kosice, Slovakia. DJ Cobra found his interest in music in the early 90's. During which period, the music scene was developing a sort of a new style, called dance or dancefloor, later known as euro-dance and euro-techno. Starting with such artist influences as Snap, Dr. Alban, 2-Unlimited. Later on, La Bouche, Maxx, Capella, Ice MC, Corona to name a few. DJ Cobra states, "I did not listen to music a lot. But when I discovered this new style, I was impressed. Such great music!" Throughout the 90's, Cobra began writing and producing his own style later known as commercial dance / trance. Today, Cobra rains this massive epic-trance sound down on the club floor with expert precision. His dynamic production style draws in a variety of elements, both electronic and acoustic, crafting each track with sheer intensity. Big hoover synths and syncopated bass-line funk locked up with solid 4/4 grooves that carries a range of vocal additives in a mode that can launch the big-room crowd over the top." M.O.N.I. is his latest full original maxi single here featuring several top remixes by worldwide celebrity remixers.
