Australia's coolest folk funky blues artist releases a between album sampler, the Mellow ep. 5 MP3 Songs
FOLK: Folk Pop, POP: with Live-band Production Details: The Mellow ep is a splendid mixture of folk funk and blues. Mellow is the funk aspect Who wants to be a refugee is like a rocking Irish spiritual about the displaced wanderers of this world. Yarra Glen is a folk gem about the hills outside Eddies home city of Melbourne Australia and included in this set is an acoustic duo version of Richer man, one of the highlights of the album I know whats going on. These songs handsomely reward the listener and provide a sampler for Eddies next full length record.
