Steely Dan meets Pink Floyd to create thick pop journeys that disturb and excite simultaneously - can be eaten or listened to. 14 MP3 Songs POP: Pop/Rock, ROCK: Adult Alternative Pop/Rock Show all album songs: Mandatia Songs Details: Two guys, 20 years apart in age, but joined at the hip musically. We write and record out of Standing Wave Music, a recording studio in Scottsdale Arizona. I'm Greg, the studio engineer and singer/songwriter. Jack is the riffster and creative collaborator. We play out very seldom, mostly content to drink a beer, lay down tracks, and marvel at how much fun this is and how fricken good this sounds. Step in to our world and be transformed. Headphones are highly recommended. You should preview each song on this CD to appreciate the diversity of tunes and how they are delivered. Some songs force you to think, some create swirling images between your ears, and some activate your inner chill. Luckily, you can download the specific tunes that speak to you. Please leave a review to connect us in the musical slipstream of global music lovers. If youve read this far, you are clearly an exceptional person of discerning taste. Enjoy.
