

Mp3 Heavnoise - The Last Day Before The Sun

[DOWNLOAD HERE](#)

In this record you'll find the atmosphere you are looking for, if you miss those of The Cure's Disintegration, with the similar strings moods, decadent baritone guitar and romantic lyrics. 10 MP3 Songs
POP: New Wave, ROCK: Psychedelic Details: "It's a very intimate album, which ideally collects the emotions of the last 2 years. We were looking for the sound we loved (the atmosphere that permeates albums such The Cure's Disintegration or the Slowdive's Just For A Day, adding to this some guitar riffs in a Placebo-like or U2 style), and we found it!!!" (PAUL) LATEST REVIEWS "Heavnoise are a clone of the more romantic, intimistic and decadent transfiguration of The Cure. Their album is a deep act of love towards the pop soul of the greatest new wave band in the world" (A.BELMONTE at LA SCENA) "Deeply inspired by the sound and poetry of Robert Smith co, Heavnoise are a real clone of the Cure you find in Disintegration" (TUNEFUL TURMOIL at SONICBANDS) "A mix of dreamy atmospheres and noises, with a sublime sound that satisfies the listenere with the sadness and the romanticism of the sweetest songs" (E. FILIPPINI at SUL PALCO)
