He who thinks that drum 'n bass and electro don't go well together should have a listen to HEX/Z. This Dutch producer/live performer has been droppin beats for over a decade with numerous digital releases. 7 MP3 Songs ELECTRONIC: Breakbeat/Breaks, ELECTRONIC: Electro Details: He who thinks that drum 'n bass and electro don't go well together should have a listen to HEX/Z. This Dutch producer/live performer has been droppin beats for over a decade with numerous digital releases. His style is an eclectic mix of electronoise, glitch electronics, beats breakz. The result sounds like Drexciya on speed or Technical Itch on a bad trip. After spending 2 years in the studio and perfecting his beats on-stage HEX/Z is releasing his debut album "I-Rockz", containing 7 songs that are guaranteed to hit the dancefloor like a storm.
