Bittersweet, soulful, and elegant. Jamie's songs will put you at home the way Elliot Smith and Nick Drake did, but behind the melancholy lies an energetic enthusiasm derived from The Slackers, The Beatles, Nirvana, and Neil Young. 10 MP3 Songs ROCK: Acoustic, FOLK: Modern Folk Details: Jamie-Harrison's art is bittersweet, soulful, and elegant. If you have not yet been touched by his song writing, now is the time. The Philadelphia native is touring the eastern club scene with a style all his own. Jamie's songs will put you at home the way Elliot Smith and Nick Drake did, but behind the melancholy lies an energetic enthusiasm derived from The Slackers, The Beatles, Nirvana, and Neil Young. The creator and lead singer of Headspace has turned to his solo project. A former New York resident and student of the Fashion Institute of Technology, Jamie has returned to his roots. The prolific songwriter is a staple at such Philly hotspots as Fennarios, Grape Street Philadelphia, and The Fire. Talk to him after a set and discover one of the most free-spirited, imaginative 23 year olds around. The many sides of Jamie are manifest in his diverse musical styles. No single song of his can truly capture his mastery of folk rock, his sense of melody, and his compassionate lyrics.
