Jonathan Foster's "God of Grace" is full of solid contemporary Christian lyrics sung over great rhythms and was produced by Grammy-nominated artist, Billy Smiley. 10 MP3 Songs GOSPEL: Contemporary Gospel, POP: Today's Top 40 Details: God of Grace is Jonathan Foster's second album at Discover Church. (discoverchurch.com) The lyrics are solid and the grooves and rhythm are top 40 quality containing musicians who have played with some of the biggest names in the music industry. Two songs off the album released as singles, God of Grace and Hallelujah, What a Savior have received significant airplay. Several of the tunes have been used in worship settings all across the country including the song, Ring True which was featured as the song of the month at worshipnotes.org, an online worship resource. (Check out Jonathan's interview at that website under the archives section.) Another song of note is entitled, Im Free which is an acoustic guitar and piano-driven tune co-written by Foster and Dave Ellefson, formerly of the huge rock n roll band, Megadeth. (davidellefson.com). The song grows into an exceptional, inspirational chorus at the end of the tune. The vibe of that tune as well as the words encapsulates the whole album. Listening to the project is a freeing experience. God of Grace was produced by veteran Christian rocker and Grammy-nominated artist, Billy Smiley. (billysmiley.com)
