

## Mp3 Kohala - Deeper Blue

[DOWNLOAD HERE](#)

An acoustic blend of contemporary Hawaiian, folk and jazz that reflects the beauty of the landscape and culture found in the Kohala region on the Big Island where the trio lives. 11 MP3 Songs JAZZ: Smooth Jazz, WORLD: Island Details: Kohala is a trio that performs an acoustic blend of contemporary Hawaiian, folk and jazz reflecting the beauty of the landscape and culture found in the Kohala region on the Big Island where the acoustic guitar trio lives. Lead guitarist, GRAMMY Award winning Charles Michael Brotman, is a classical guitarist who began playing contemporary jazz after completing graduate studies in music. Rupert Tripp and Charlie Recaido grew up in Hawaii playing island music with a finger picking style on steel string guitars. The combination of the trio's diverse influences and backgrounds results in a very distinctive sound.
