Sweet, touching, uplifting, female singer-songwriter, guitar piano 12 MP3 Songs FOLK: like Joni, FOLK: Modern Folk Details: Inspired in part by her work as a music therapist on a pediatric oncology unit, Margo Hennebach's self-titled debut album gives listeners an introduction to Margo's quirky writing, wide-ranging vocals, and exquisite musicality. Falling somewhere between Kate Bush and Joni Mitchell in its sensibilities, this album is, in the words of Jim Caligiuri, CMJ New Music Report, "an engaging collection of folk infused with pop smarts. Alternately accompanying her bright attractive vocals with guitar and keyboards. Hennebach creates simple, effective backdrops for her heartfelt yet never trite lyrics...Her songs possess a contemporary feel that should earn her a wide audience. Give a listen for a taste of a new talent with vast potential." Margo Hennebach includes Caledonia, Talk to Me Like the Rain, Have You Ever Seen an Angel, and Winter Snows, and 8 other songs.
