What we have here is the SH**. Plain and simple. Every song sounds as if they were writing in the bathroom while taking a dump cause every tracks is the shit. 20 MP3 Songs HIP HOP/RAP: West Coast Rap, HIP HOP/RAP: Spiritual Rap Details: What started off as a past time to practice our freestyle flow turn into a creation of pure talent over banging beats. With the formation of our label-REBEL RECORDS in 2001 began the blending of stylish freestyle rhymes with slamming instrumentals. Word spread of music we were playing around with and soon we enveloped a network of artist from around the Bay. Being blessed is more like it. Not only were we able to group with other talent, but these talented individuals also possess the belief in THE FATHER, THE SON, THE HOLY SPIRIT. Our bases is to show the world a side of street dudes they might not have thought existed -- A spiritual side that resides in us all, but sometimes get submerged with the evils of this world. Most of us are in mid transition impulsely driven by evil, but trying to do good. This is what we we show in most of our music. Every song we make will you feel the intensity and depth of each REBEL artist as they illustrate different perspectives of their lives. From LYRICAL to POLITICAL, POLICTICAL to SPIRITUAL, SPIRITUAL to R&B ORIGINALS, PARTY GROOVES, HYPHI TRACKS, RUFF RUGID, Kick Back SLOW JAMS. We cover you with pure heartfelt songs that ride along and go beyond most other realms of traditional music mind. So with the help of our Father and the use of only computers our freestyles began to turn into extraordinary coordinated songs that we are blessed to be able to present to this world. Being taught never to start what you can't finish, we here at REBEL RECORDS Presents a new flavor for your ear.
