The Journey is a two CD set built on the foundation of Daddy's African drumming, but the overall effect is pure mainstream jazz that goes beyond mellow to almost euphoric, relaxed sort of way. It is easy listening that also makes you think. 7 MP3 Songs JAZZ: Jazz Fusion, WORLD: African Details: International master drummer , educator and folklorist S. Kwaku Daddy introduces African Jazz music and stories of Ghana and other African countries to music lovers, children and teachers of America. This introduction is vividly shown on Daddy's new double CD, " The Journey ". The music employs traditional African cultural music and American Jazz idioms. Daddy presents these musical forms through performances, workshops, books and recordings to demonstrate and to discuss how arts of Africa, America and the world reflect the inner lives of people.
