

Mp3 The Boardlords - Ride Again

[DOWNLOAD HERE](#)

This is Punk Rock. Over-the-top, out-of-control, blood-boiling skate punk that will drive you crazy and turn you into a sasquatch(not a guarantee). You will freak...You will cry...Your gums will bleed(not our fault)...You will wish you were in the band. 18 MP3 Songs ROCK: Punk, ROCK: Hard Rock Details: Eighteen tracks of pure, un-cut, American punk rock. Songs about riding, partying, riding, partying, hitting on girls, dating amputees, smashing things, breaking up with stalkers, drunk rodeo clowns, and Godzilla. This is a must have for anyone who likes to have a great time! (we know you're out there somewhere) AND... a 16 page full color booklet with trading cards comes in every box!!! Impress your friends with all you know about this disgruntled band of miscreants!!! The Boardlords are a Punk Rock band from Port Chester, New York that makes really loud, fast and most importantly really fun music. Influenced by bands from The Descendents through Murphy's Law, this music is perfect to ride boards to, drink Beer to, and do just about anything you want to. This record will amp you up to go out and rage, whatever you do. And its guaranteed to piss off your parents, teachers, and god-willing-they-should-hear-it, the government. Seriously, buy this record or you are a loser. Don't forget to support your local scene. Turn off the PS2 and go see some punk rock! And buy a copy of this record and send it to George Bush. While you're at it, buy one for Colon Powell's son, the head of the FCC. The Boardlords are your friends and they want you to have fun.
