Oasis of Pleasure Tessie Bradford Aliens who embrace the pleasures of the flesh in every conceivable manner and at every possible opportunity? A delightful fantasy, but for average Earthling Elizabeth Malloy, it is her shocking new reality. When two sinfully divine specimens of Argon male goodness boldly stake their claim to her body and her heart, the adventure truly begins. Hagan Ruuchar, commander of the Argon explorer ship Oasis, takes skillful control of Elizabeth's body from the first moment they are alone. Gareth Orne, second-in-command, playfully offers himself to Elizabeth, allowing her free rein to explore her newfound sexual freedom. Together, they enthusiastically initiate Elizabeth into a world of decadent, uninhibited, orgasmic delights she never imagined existed. Reader Advisory: While primarily a m/f/m ménage, our two heroes are also lovers and some of their passionate interaction is described for your reading pleasure. You're welcome!
