A software utility that's used to manage all of your projects. No matter how many projects you're working on, you'll remain focused. The primary purpose is to allow you to create a list of tasks or use a predefined list in order to track the progress of the project more easily and effectively. Saves you a considerable amount of time by keeping all your projects in order. Comes preloaded with a common list of work tasks which can be fully customized - simply edit, add, or remove any items you like. Allows you to load and save individual projects - no matter how many things you're working on you'll always remain focused. Convenient progress bar lets you know exactly how much work has been completed. All you have to do is grab your copy below now!
