HonorÃfÂ© and Emily find themselves in a parallel timestream where their alternate selves think nothing of changing history to improve the quality of life - especially their own. HonorÃfÂ© has been recently haunted by the death of his mother, an event which happened in his childhood, but now there seems to be a way to reverse that event ... but at what cost? When faced with two of the most dangerous people they have ever encountered, HonorÃfÂ© and Emily must make some decisions with far-reaching consequences. Part mystery, part detective story, part dark fantasy, part science fiction... original adventures in time and space.
