Ten years ago a breakthrough book launched a ministry that has helped more than one million people overcome this world and win the battle for their hearts and minds. Now Neil Anderson has revised and expanded Victory over the Darkness for a new generation of readers, outlining practical and more productive ways to Christian growth based on Christs promise: You will know the truth, and the truth will make you free. Victory Over the Darkness emphasizes the importance of believing and internalizing the cardinal truths of Scripture as a base from which to renew the mind and fend off Satans relentless attempt to convince us that we are less than Christ empowers us to be.
